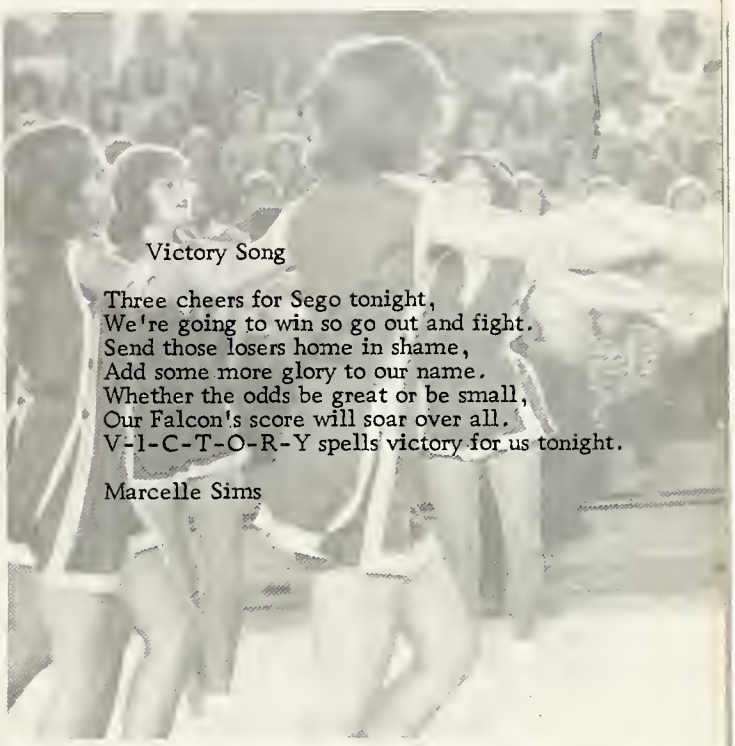
Memories of Sego

While you're here
you wish to leave,
But when the end is near
a sigh of sorrow you heave.
The times you spent with all your peers
becomes more special with the years.
Bad times, love rhymes,
are toward the end at last,
The memories will stay
but the end is coming fast.
We may find high school an adventure
as we go,
But we'll always cherish
the memories of Sego.

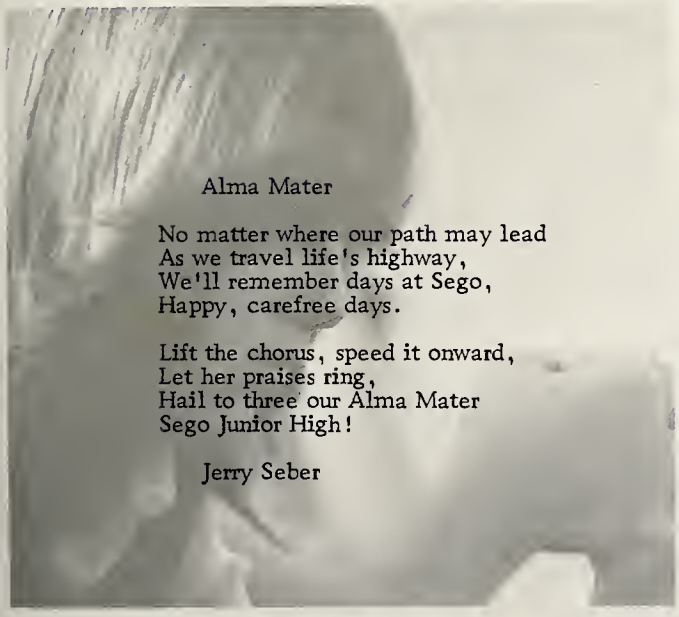
Michelle Goode



Victory Song

Three cheers for Sego tonight,
We're going to win so go out and fight.
Send those losers home in shame,
Add some more glory to our name.
Whether the odds be great or be small,
Our Falcon's score will soar over all.
V-I-C-T-O-R-Y spells victory for us tonight.

Marcelle Sims

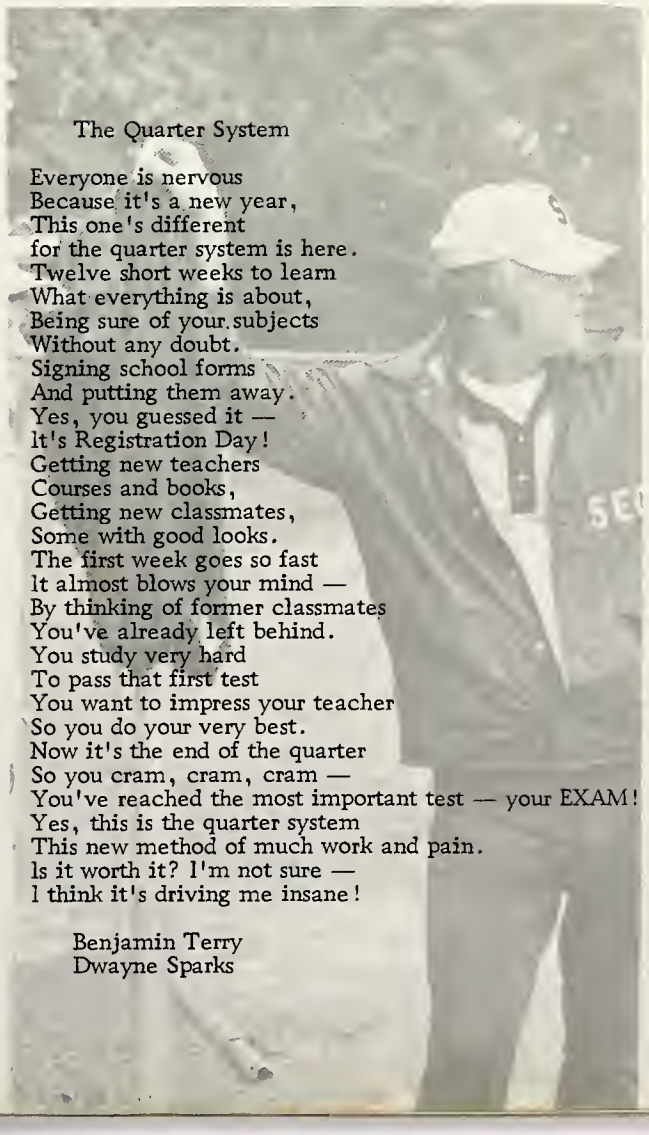


Alma Mater

No matter where our path may lead
As we travel life's highway,
We'll remember days at Sego,
Happy, carefree days.

Lift the chorus, speed it onward,
Let her praises ring,
Hail to three our Alma Mater
Sego Junior High!

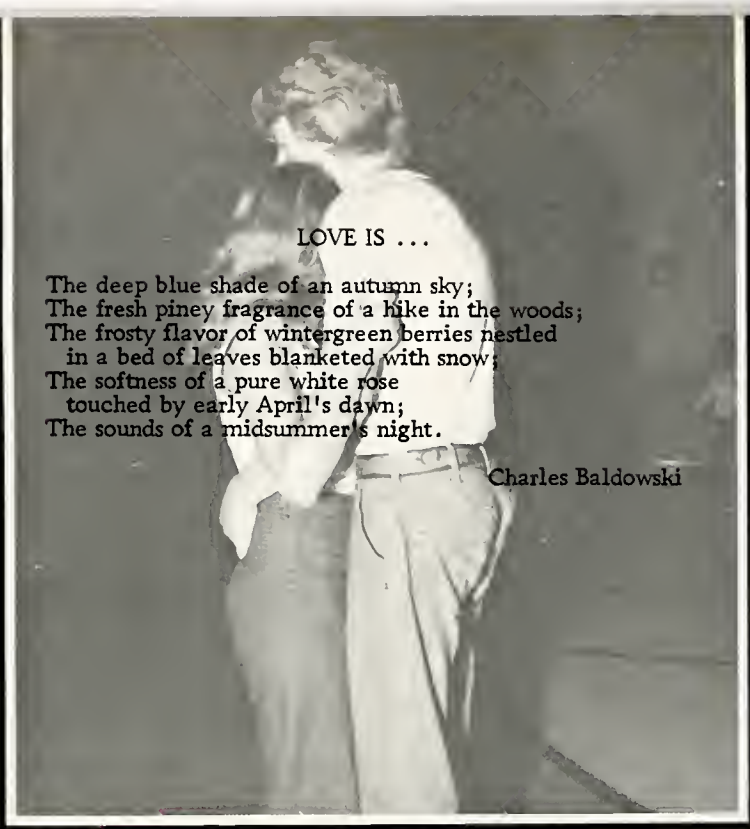
Jerry Seber



The Quarter System

Everyone is nervous
Because it's a new year,
This one's different
for the quarter system is here.
Twelve short weeks to learn
What everything is about,
Being sure of your subjects
Without any doubt.
Signing school forms
And putting them away.
Yes, you guessed it —
It's Registration Day!
Getting new teachers
Courses and books,
Getting new classmates,
Some with good looks.
The first week goes so fast
It almost blows your mind —
By thinking of former classmates
You've already left behind.
You study very hard
To pass that first test
You want to impress your teacher
So you do your very best.
Now it's the end of the quarter
So you cram, cram, cram —
You've reached the most important test — your EXAM!
Yes, this is the quarter system
This new method of much work and pain.
Is it worth it? I'm not sure —
I think it's driving me insane!

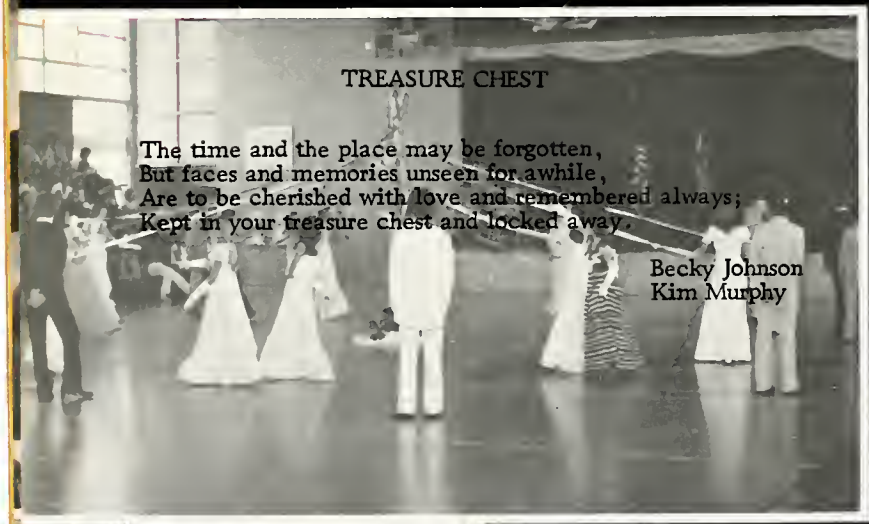
Benjamin Terry
Dwayne Sparks



LOVE IS . . .

The deep blue shade of an autumn sky;
The fresh piney fragrance of a hike in the woods;
The frosty flavor of wintergreen berries nestled
in a bed of leaves blanketed with snow;
The softness of a pure white rose
touched by early April's dawn;
The sounds of a midsummer's night.

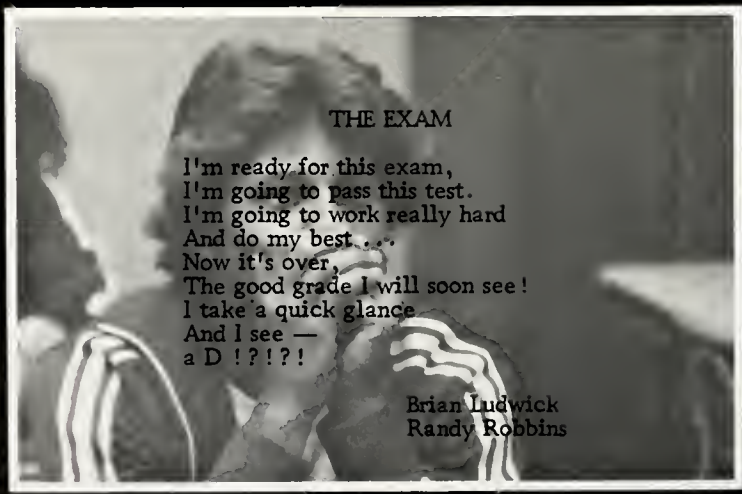
Charles Baldowski



TREASURE CHEST

The time and the place may be forgotten,
But faces and memories unseen for awhile,
Are to be cherished with love and remembered always;
Kept in your treasure chest and locked away.

Becky Johnson
Kim Murphy



THE EXAM

I'm ready for this exam,
I'm going to pass this test.
I'm going to work really hard
And do my best . . .
Now it's over,
The good grade I will soon see!
I take a quick glance
And I see —
a D !?!?!

A LONELY HEART

A lonely heart is not having someone to share your thoughts, dreams, hopes and ambitions.

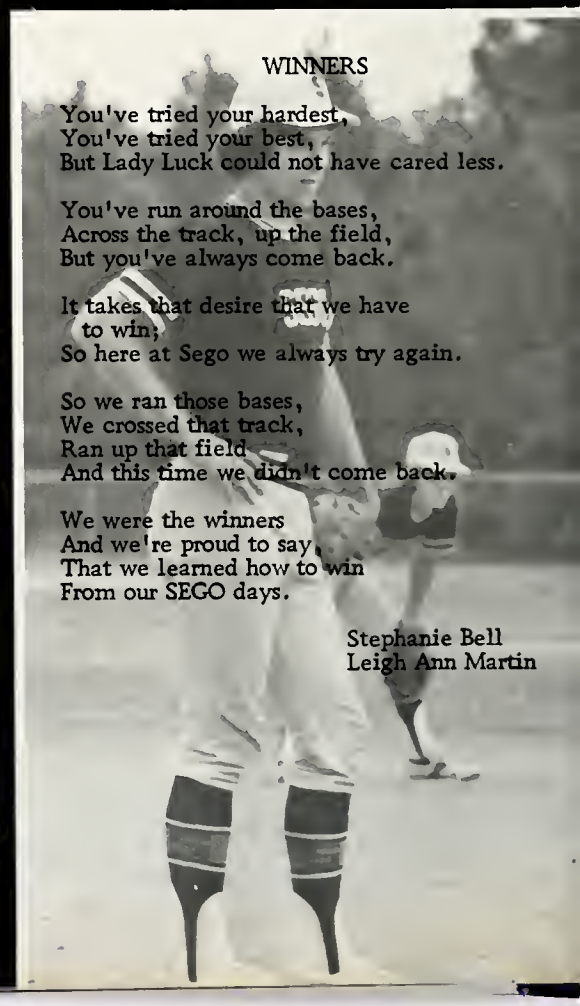
A lonely heart is not having someone to share your ups and downs; to lift your spirit when no one else is around.

A lonely heart is not having someone there to give you a push in the right direction, when life seems to have no destination.

A lonely heart is not having someone there to say I love you when you feel love has disappeared.

A lonely heart is not having someone there to hold you; to love you as if no one else is near.

Pam Copeland



WINNERS

You've tried your hardest,
You've tried your best,
But Lady Luck could not have cared less.

You've run around the bases,
Across the track, up the field,
But you've always come back.

It takes that desire that we have
to win;
So here at Sego we always try again.

So we ran those bases,
We crossed that track,
Ran up that field
And this time we didn't come back.

We were the winners
And we're proud to say,
That we learned how to win
From our SEGO days.

Stephanie Bell
Leigh Ann Martin

NATURE'S GIFTS

As I sit on these emerald blades of grass
My eyes behold the gifts Nature has bestowed us;
The grandeur of this valley grasps me in a spell
from which I can't escape;
Wildflowers ornate — the fields in gold burst
of fiery color,
Erect and stem stand the trees,
Their branches swaying in the wind;
The deep blue sky dotted with small cotton-shaped clouds;
Oh, how lucky I am to see
The magnificent presents with which Nature has gifted me.

TALON

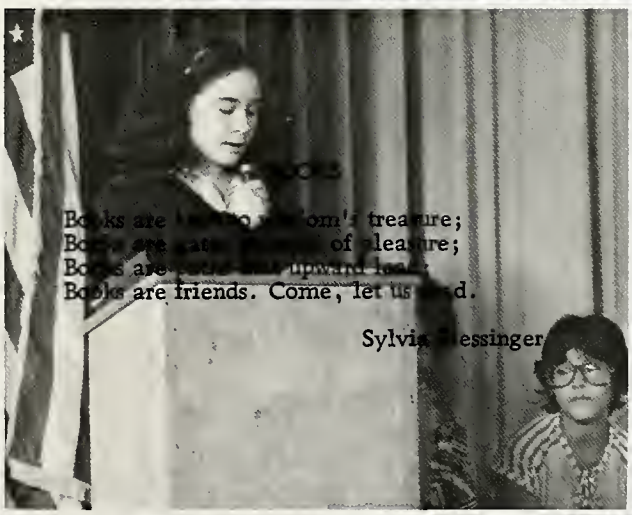
Within this book are memories
That will last throughout our years.
Within this book are stories
That may someday bring us tears.

From study, books, and laughter,
When you get down to it all,
This Talon will fly out to us
And give us its' true call.

For this Talon in its' gold and blue,
And everything within
Is filled with us and our days,
And our real true friends.

For when our days at Sego are gone,
And Heaven knows what then,
We'll look back through this book one day
And be a FALCON again!

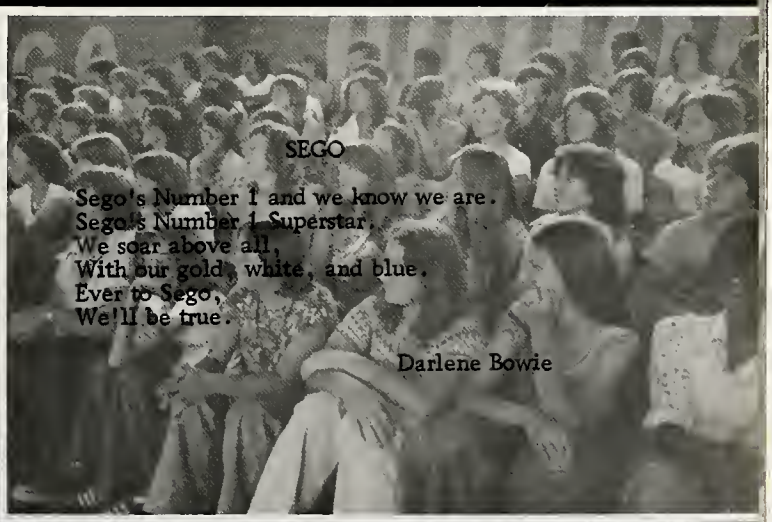
Melanie Ann May



BOOKS

Books are [illegible] wisdom's treasure;
Books are [illegible] of pleasure;
Books are [illegible] upward leads;
Books are friends. Come, let us read.

Sylvia Dessinger



SEGO

Sego's Number 1 and we know we are.
Sego's Number 1 Superstar.
We soar above all,
With our gold, white, and blue.
Ever to Sego,
We'll be true.
